The City of Ballarat Municipal Brass Band Inc is pleased to announce the release of the revised publication of *The History of the City of Ballarat Municipal Brass Band 1900-2010*, Compiled by R. Pattie, 2010.

This revised edition not only includes the past decade but has over 100 new articles and photos added to the original Centenary Book released in 2000. The book deals with pre 1900 Ballarat and the Gold Fields, our earliest beginnings as the Bulch's Model Brass Band in 1887, to the formation of our band in 1900 as the City of Ballarat Brass Band.

It also deals with the history of Brass Bands competing in the Royal South Street Society and lists all the bands competing in South Street for the past 110 years when the City of Ballarat Brass Band competed. In most cases it details the results and items played.

Highlights in the book are many, and there are details of bands from the earliest times in Australia's history. Including results of some of Australia's leading bands back in the early 1900's.

There are lots of fascinating tid bits throughout the book. People like Percy Code, Frank Wright and others who went on to become world famous Musicians, Conductors, Arrangers and Composers. Their music is still being played today. These musicians not only had a link to The City of Ballarat Brass Band, but also to many other bands in Australia and around the world.

A lot of bands' in Australia will find the information in this book very interesting as it details how their bands' performed at various contests and the results they achieved.

Anyone interested in purchasing the book please fill out the order form and post it the Secretary, Ballarat City Brass Band with a cheque or money order, including postage and handling costs.
